Summary

Aspiring CyberSecurity professional with a Computer Science
BA degree, and 10+ years experience working in IT as a senior
computer engineer, system admin by day, and web designer by night
which helped me accumulate couple of years experience working as
a freelancer web designer working on couple clients' web projects
and building my own websites as a hobby.
Currently transferring my extensive IT and coding skills, experience
and knowledge towards specializing in Cybersecurity thru pursuing
Security+ Cert and completing the Cybersecurity Bootcamp at
Springboard."
